Aims

This policy aims to ensure that all those connected with Bow Street School are protected from bullying behaviour. The ongoing and long-term aim of the policy is to reduce the number of students who experience bullying through increasing awareness of such behaviour and its causes, as well as highlighting the consequences for students, staff, parents and carers and other individuals that make up the school community. We aim to help students find and put into practice a series of solutions to the problem of bullying. The policy also aims to ensure that individual cases of bullying will be dealt with consistently and in a constructive and fair manner when they occur. Procedures for dealing with bullying are clearly set out so that all members of the school community know what they can expect from the school and what the school expects of them.

National and Legal Framework

We acknowledge the DFE advice on preventing bullying 2017.

We have a duty of care to protect pupils from bullying as part of our responsibility to provide a safe, secure, caring and friendly school environment for all the children in order to protect them from those who wish to deliberately hurt them either physically or emotionally. We believe all our safeguarding procedures are in line with Sections 3(5) and 87(1) of the Children Act 1989 and Section 157 of the Education Act 2002 and that we promote the welfare of all children in our care.

The aim is supported through the other key themes of:

- 'Be healthy': sustaining positive mental health;
- 'Enjoy and achieve': enjoying the social experience provided in various settings and that achievement is not inhibited;
- 'Making a positive contribution': developing positive relationships; and
- 'Achieve economic wellbeing': taking positive relationships into the workplace.

Under no circumstances will we tolerate any form of bullying, and all incidents of bullying will be dealt with promptly and effectively.

We wish to work closely with pupils and parent/carer(s) and to hear their views and opinions, as we acknowledge and support Article 12 of the United Nations Convention

on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

Aims and Objectives

- To develop a school environment that is both safe and secure for all pupils.
- All Teachers and staff should know what bullying is, and what the school policy is on bullying, and follow it when bullying is reported.
- All pupils, parents and carer(s) should know what the school policy is on bullying, and what they should do if bullying arises.
- To have in place established systems that will deal with incidents of bullying.
- To develop confident children who will notify staff of any incident of bullying.
- To inform everyone connected with the school of the school's anti-bullying policy.
- To work with other schools to share good practice in order to improve this policy.

What is bullying?

Bullying is when one or more people physically, emotionally, verbally or psychologically hurt or cause harm to a person who is in a weaker position than him/her/them, and so is less able to defend himself/herself/ themselves. Bullying usually happens over a period of time, and consists of a series of different incidents.

Different types of bullying include:

How we manage Bullying at Bow Street Independent Special School:

- When bullying is reported it will be taken seriously.
- Staff will work with the young person who is being bullied to help them feel safe and find responses to bullying that work.
- Staff will work with the young person or people who are bullying to change their bullying behaviour.
- Wherever possible, staff will work with the parents/carers of any pupil who is being bullied to support and encourage that pupil in finding solutions to the bullying.
- Wherever possible, staff will work with the parents/carers of any pupil who is carrying out bullying to support and encourage that pupil in finding alternatives to their bullying behaviour.
- Excluding pupils from Bow Street School is a last resort. If particularly serious victimisation, abuse and intimidation, or physical bullying against any other person belonging to the school community is reported, those pupils who carried out the bullying will have to be 'Fixed Term Excluded' from Bow Street School while the report is investigated and solutions are sought. If the solutions have no effect, or if the bullying was so severe that it would be harmful to the rest of the school community to allow the excluded pupil to return, he/she may have to be permanently excluded.
- All bullying incidents are recorded on a bullying log/record sheet and documented on other paperwork where appropriate.
